

Einsatzgruppen: The Death Brigades, Part 2

A death squad battalion, at attention. (Screen grab-TGP)

What is \$1 a month to support one of the greatest publications on the Left?

People who give you the unadulterated truths that affect your life and the lives of countless people around the world, and the destiny of the planet itself? Just think for a moment: an insignificant sum for you can mean whether we continue to publish or go under. And if we go, who will speak for you? It's that simple. Don't take the alternative media—YOUR media—for granted. Sign up today for a simple, recurring donation of just \$1. You can cancel anytime—and no hard feelings. That's a promise.
