Time to uncork that champagne, folks...and toast one of the most heroic armies in modern history, the Syrian Arab Army. Drink to the health and sovereign freedom of the Syrian people who have paid a horrendous price in their struggle against the

malignant forces injected into their nation by Western imperialism.

The Best Definition of Donald Trump We Have Found

In his zeal to prove to his antagonists in the War Party that he is as bloodthirsty as their champion, Hillary Clinton, and more manly than Barack Obama, Trump seems to have gone “play-crazy” – acting like an unpredictable maniac in order to terrorize the Russians into forcing some kind of dramatic concessions from their Syrian allies, or risk *Armageddon*. However, the “play-crazy” gambit can only work when the leader is, in real life, a disciplined and intelligent actor, who knows precisely what actual boundaries must not be crossed. That ain’t Donald Trump – a pitifully shallow and ill-disciplined man, emotionally handicapped by obscene privilege and cognitively crippled by white American chauvinism. By pushing Trump into a corner and demanding that he display his most bellicose self, or be ceaselessly mocked as a “puppet” and minion of Russia, a lesser power, the War Party and its media and clandestine services have created a perfect storm of mayhem that may consume us all. – **Glen Ford, Editor in Chief, Back Agenda Report**
