## [Black Voters Favor Medicare for All, But Think Biden is “Electable”](#)

16 Mar 2020

“In all the states that have voted so far, Medicare for All, which Biden is explicitly against, wins a majority of voters” in exit polls, said **Branko Marcetic**, journalist and author of “Yesterday Man: The Case Against Joe Biden.” Marcetic noted that, when President Obama and vice president Biden were trying to forge a “Grand Bargain” with the GOP, “Biden basically rolled over and let Mitch McConnell and the rest of

the Republicans just trample over him. He gave them everything they wanted.”

^3000US citizens have no real political representation.

We don't live in a democracy. And our freedom is disappearing fast.

I don't want to be ruled by hypocrites, whores, and war criminals.

What about you? Time to push back against the corporate oligarchy.

And its multitude of minions and lackeys.
