# Exposing deceptive defectors and dissidents, from North Korea to Iraq, China to Syria

[The Grayzone](#)

On Foreign Agents, Max Blumenthal and Ben Norton expose the biggest frauds recruited as defectors and dissidents to lie

about Official Enemies by the US regime. For well over a century now, London and Washington have excelled at disinformation using phony witnesses and false flags, the latest campaigns including the Skripal and Navalny "poisonings"; the downing of MH17 "by Russia"; Russiagate itself; and the myriad accusations against China, Venezuela, etc. The list is long and tedious but it obviously succeeds in brainwashing most uninformed news consumers around the globe, starting with the Americans, the most misinformed public in the world. Watch Foreign Agents at Rokfin and subscribe to get all exclusive content here:

**Up to You.**

^3000US citizens have no real political representation.

We don't live in a democracy. And our freedom is disappearing fast.

I don't want to be ruled by hypocrites, whores, and war criminals.

What about you? Time to push back against the corporate oligarchy.

And its multitude of minions and lackeys.
