THE FAKE LEFT IS FIRST AND ABOVE ALL SOCIAL IMPERIALIST.

As a political term, social imperialism is the political ideology of people, parties, or nations that are, according to Soviet leader Vladimir Lenin, "socialist in words, imperialist in deeds". In academic use, it refers to governments that engage in imperialism meant to preserve the domestic social peace.

Caleb Maupin has worked as a journalist and political analyst for the last five years. He has reported from across the United States, as well as from Iran, the Gulf of Aden and Venezuela. He has been a featured speaker at many Universities, and at international conferences held in Tehran, Quito,

and Brasilia. His writings have been translated and published in many languages including Farsi, Chinese, Russian, Arabic, Spanish, and Portuguese. He is originally from Ohio. As a reporter with RT.com, Maupin's focus has

been the United States. He has had many intense interactions with US State Department spokespeople including [John Kirby](#), [Mark Toner](#), and [Heather Nauert](#) confronting them about diverse issues like [Syria, Russia, and the existence of Israeli nuclear weapons](#). Maupin was the primary US correspondent for RT's international broadcasts during the 2016 Presidential elections. He reported from both the Republican and Democratic National Conventions, and also directly from the riots in Oakland, California, during the [aftermath of the vote](#).
