Norton and Martin's positions are sure to create controversy among many people who see themselves on the left, including Glenn Greenwald and Jimmy Dore.

May 13, 2022

Multipolarista host Benjamin Norton and journalist Robbie Martin discuss how neoconservative US imperialists like Fox News host Tucker Carlson (a CIA applicant) and Republican Florida Governor Ron DeSantis cynically tried to rebrand as "right-wing populists," while pushing war on China, Iran,

Cuba, Venezuela, and Palestine. These bogus "populists" portrayed Donald Trump as an "anti-war" president, while he killed top Iranian and Iraqi officials, imposed suffocating sanctions on Cuba and Venezuela, waged a hybrid war on China, bombed the hell out of Afghanistan, expanded the war on Yemen, strongly supported apartheid Israel and Saudi Arabia, militarily occupied Syria and Iraq to take their oil, and tore up arms control agreements with Russia. Up to You.

^3000US citizens have no real political representation.

We don't live in a democracy. And our freedom is disappearing fast.

I don't want to be ruled by hypocrites, whores, and war criminals.

What about you? Time to push back against the corporate oligarchy.

And its multitude of minions and lackeys.
