Why is Amnesty International FINALLY Reporting on Kiev's War Crimes Months Later?

[The New Atlas/ Aug 16, 2022](#)

Amnesty International has a long track record of selling lies to the public to help justify US military aggression both direct and by proxy all under the guise of "human rights" advocacy. Often when it is too late to reverse the damage done, Amnesty puts distance between itself and its lies to

prepare for the next propaganda campaign. How has this played out in Ukraine now that the US proxy war there is in full swing?

^3000US citizens have no real political representation.

We don't live in a democracy. And our freedom is disappearing fast.

I don't want to be ruled by hypocrites, whores, and war criminals.

What about you? Time to push back against the corporate oligarchy.

And its multitude of minions and lackeys.
