The Incredibly Coddled Lifestyle Of King Charles III / Sep 21, 2022

[The Jimmy Dore Show](#)

For 73 years the artist formerly known as Prince Charles (and now as King Charles III) has led a highly pampered lifestyle. A recent viral video showed a peevish Charles insisting that a servant move some waylaid pens from a desk, but that just scratches the surface. From ironed shoelaces to toilet seats sent ahead to destinations, Charles is probably the most coddled individual in the entire British Isles. Jimmy and his panel of The Dive's Jackson Hinkle and Convo Couch's Craig "Pasta" Jardula discuss not only Charles' lifestyle, but also the recent re-elevation of his brother Andrew, who is widely suspected of committing various illegal acts with minors as an associate of Jeffrey Epstein.
