Presidents Putin and Xi: Fortunately, the world still produces great statesmen. Not abject clowns like the people fronting for illegitimate power in the West.

Prepare for war

In 1933, the Japanese General Staff reported to the Cabinet that, short of Divine intervention, America would devastate Japan in a war. Rather than become an American vassal state (the US wanted to control Japan's energy imports), Japan declared war.

Today, short of Divine intervention, both China and Russia can devastate America militarily and economically. Rather than surrender its hegemonic delusions, will America declare war?

Xi Jinping, Chairman of the Central Military Commission, told the armed forces to prepare for war. The country should 'grasp the new situation and... focus on preparing for war'.

Xi Jinping, President of the People's Republic of China and chairman of the Central Military Commission, called

on his country's armed forces to prepare for war. He issued the instruction at the seminar on the reform of national defense and the armed forces, which was held in Beijing. Up to You.

^3000US citizens have no real political representation.

We don't live in a democracy. And our freedom is disappearing fast.

I don't want to be ruled by hypocrites, whores, and war criminals.

What about you? Time to push back against the corporate oligarchy.

And its multitude of minions and lackeys.
