

A World at War?

PHILIP GIRALDI—But my favorite move by the Biden Administration, if one might be so bold as to suggest that it is actually capable of administering anything more kinetic than a hot dog stand, is the latest pander to Israel. The recent murder by military sharpshooter of Palestinian/American journalist Shireen Abu Akleh followed by a humiliating spectacle of police violence at the funeral as well as subsequently at a second Palestinian funeral, actually found some administration flunkies and congress critters calling for a full investigation by Israel. The Israeli government and army refused to do so and the White House has pretended that there is no longer anything to see or consider.
