

Putin Won – Time Magazine Annoyed That He Does More Than Superman

Most importantly, the article is written by journalist Simon Schuster. He gives the same opinion as given by many American “experts”. Thanks to America’s favorite Russian conspiracy of how they helped Trump “Make America Great Again”, there is now a new different allegation. American experts think that for Putin, he doesn’t have enough influence on just the West. For a while now, he has spread his politics all over the world, hoping to cobble up the whole planet.
